

To whom it may concern

Limpopo Department of Agriculture and Rural Development is supporting various producers. Therefore, according to Annual Performance Plan (APP) “a subsistence producer refers to Producer that produces primarily for household consumption to meet the daily dietary needs. These producers are not classified as indigents by their municipality. They market limited surplus production with an annual turnover of less than R50 000”. This letter was developed based on the above where various producers will be approaching municipalities to verify if are not registered in the indigent register. Please assist the producer accordingly.
