MEC MOKONE TO HOST REVITALIZATION OF AGRICULTURE AND AGRO - PROCESSING VALUE CHAIN SUMMIT

Limpopo MEC Thabo Mokone will on the 29 – 30 November 2023 host the Revitalization of Agriculture and Agro-Processing Value Chain (RAAVC) Summit in the Waterberg District. The aim of the Summit is to strengthen existing and forging new partnerships, as well as sharing lessons on the best practices.

This great meeting of heads of public and private institutions will have a structured engagement on the matters of agricultural value chain development, reflecting on the current and future development programmes in government and private sector. Focus will also be on the contribution towards the expansion and increase of agricultural production across the value chain, towards the sector's inclusive growth, job creation and food security in the Province and South Africa.

The Summit has, amongst others, the following objectives:

- To identify strategic partners / investors that could assist in unblocking of challenges facing investment in the agricultural sector.
- To create awareness on the status of agriculture in the province and its potential
- To explore potential investment opportunities in the agricultural sector.

Members of the media are invited to the RAAVC Summit.

Date: 29 – 30 November 2023
