LIMPOPO
PROVINCIAL GOVERNMENT
REPUBLIC OF SOUTH AFRICA

**DEPARTMENT OF
AGRICULTURE AND RURAL DEVELOPMENT**

TERMS OF REFERENCE

FOR

**PROVISION OF MECHANISATION SERVICES IN LIMPOPO PROVINCE FOR 36
MONTHS**

1. PURPOSE

The purpose of this is to invite potential Service providers owning and having access to tractors and implements to provide mechanisation services in Limpopo Province. Therefore, the purpose of the document is to extend an invitation to reputable and suitably qualified Service Providers with experience in providing mechanization services as and when needed for a period of 36 months.

2. BACKGROUND

Fetsa Tlala is a multi-sectorial approach by Government to deal with structural problems of food insecurity. This initiative is supported by various legislative frameworks including the Constitution of the Republic of South Africa and National Policy on food and nutrition security. Integrated Food Security Production initiative (IFSPI) referred to as Fetsa Tlala is championed by Department of Agriculture Land Reform and Rural Development (DALRD). Through Fetsa Tlala government intends to assist subsistence and smallholder producers to produce for household consumption and income generation. Limpopo Department of Agriculture and Rural Development (LDARD) is working with other departments and private sectors to ensure an integrated approach of eradicating hunger at the household level.

The immediate rationale for Fetsa Tlala initiatives includes the following:

- The findings of Stats SA General household Survey (GHS) 2018 shows that Limpopo compared to other provinces has the highest number in terms of households that have adequate access to food, at 92%. The report further draws correlation between households involved in agriculture with Limpopo Province highest at 37.1% compared to national average of 14,8%.
- Utilisation of fallow arable land
- Improve productivity and utilization of agricultural resources.
- Promote household food production.
- Reduce the number of households that are food insecure.

3. PROBLEM STATEMENT

The demand for mechanization support services is seasonal and requires that the provision should be timeous in relation to soil moisture status. The Limpopo Department of Agriculture and Rural Development (LDARD) does not have sufficient capacity to provide mechanisation services in all fields at the five districts of Limpopo Province

4. OBJECTIVES.

- Broadening access to mechanized traction power to Previously Disadvantaged Individuals (PDIs) including household producers and entrepreneurs.
- Reducing the labour of farm work.
- Increasing the timeliness and quality of work undertaken.
- Ensuring sustainable use of resources and increased production of food.
- Bring fallow land back into production.
- Bring unused fields with production potential after approval of change of Land use.

Step 1: Calculation of points for price

(a) The PPPFA prescribes that the lowest acceptable bid will score 60 or 90 points for price. Bidders that quoted higher prices will score lower points for price on a pro-rata basis

(b) The formulae to be utilized in calculating points scored for price are as follows:

60/20 Preference point system [(for acquisition of services, works or goods up to a Rand value of R50 million) (all applicable taxes included)]

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

P_s = Points scored for comparative price of bid or offer under consideration

P_t = Comparative price of bid or offer under consideration

P_{\min} = Comparative price of lowest acceptable bid or offer.

(c) Bidders should quote for all items indicated on the specification

(d) The price must be expressed in terms of South African currency (ZAR) for each service on the specification.

(e) It is the responsibility of the bidder to consider all costs when compiling bid prices.

(f) Bidders must reflect all prices in the pricing schedule, and not anywhere else in their bid proposal. The Department will not accept any charges for items not reflected in the pricing schedule.

Step 2: Calculation of points for B-BBEE status level of contributor

Points will be awarded to a bidder for attaining the B-BBEE status level of contribution in accordance with the table below:

B-BBEE Status Level of Contributor	Number of points (80/20 system)
1	20
2	18
3	14
4	12

B-BBEE Status Level of Contributor	Number of points (80/20 system)
5	8
6	6
7	4
6	2
Non-compliant contributor	0

Step 3: Calculation of total points scored for price and B-BBEE status level of contributor

The points scored for price will be added to the points scored for B-BBEE status level of contributor to obtain the bidder's total points scored out of 100.

8.4 Phase 4: Physical inspection of bidders

The inspection will be done physically on the bidder's premises as indicated in the bid document without prior notification. Physical inspection will be for risk analysis only to confirm capacity. No points will be allocated. The preferred bidders will be inspected at the physical address to verify availability and condition of tractor and implement. Bidder who does not have a tractor will be disqualified.

9. VALIDITY PERIOD OF BID AND EXTENSION THEREOF

The validity (binding) period for the bid will be **120 days** from close of bid. However, circumstances may arise whereby the department may request bidders to extend the validity (binding) period. Should this occur, the department will request bidders to extend the validity (binding) period under the same terms and conditions as originally offered for by bidders. This request will be done before the expiry of the original validity (binding) period.

10. NEGOTIATIONS

Bidders should note that the department might subject the successful bidder to negotiations for fair market related prices.

11. SITE INSPECTION

11.1 As part of the evaluation process of this bid, the Department will conduct site inspections on the address provided on the tender document, all equipment to be inspected must be onsite during inspection, failure which the company will not be considered for appointment/ the bidder will be disqualified.
